linea **ESSENZA**

sinfonia di verbena

Blends of citrus fruit shine bright.

The joyous shades of the aromatic notes of verbenia and mint are dazzled and enhanced.

Play of contrasts between the herbaceous citrus scent and the geranium pungent note, soothed by a hint of jasmine sensual aroma and pampered by rose petals, for a peach skin sensation.

Artic freshness of cold mint, lemon, grapefruit and a hint of pink pepper enhance its pungent touch and accompany shy jasmine round notes ending with a deep final scent. Cedar wood and vetiver create a dry and earthy effect, combined with the dusty nutmeg notes. The patchouli and sandal scent balance its creamy part to dive into the most mystic and spiritual olibanum, cistus and ginger side.

Timeless natural freshness,
grapefruit and bergamot
majestically lie on a green
leaf bed. Just like in a hypnotic
dance, sumptuous notes
attract you towards
and inebriating Sambac jasmine,
where the only antidote is the
romantic rose sent.
Strawberry and nerol remind
you of a sunny summer day.
The iris, violet and tonka bean
final notes take
you back to the scent of luxury
retro-style living rooms with finest
cedar wood furniture and sandalwood
decoration, within a patchouli
leaf atmosphere.

The scent of a warm embrace
among the scent of spices
and orange and lemon peels.
Cinnamon powders,
cloves and cumin offer
a Christmas atmosphere,
reminding of hot mulled wine
and a flavorsome tea infusion.
All rolled up in a wooden
blanket created by white
moss and a flowery
pure hawthorn.

Shy citrus notes and sour drops
of raspberry and currant leave
room to pure white note
effusions, as heavenly as soft
and fragile petals, carried away
by crystalline breaths of wind.
White rose, jasmine,
violet and heliotrope dance
in a dusty vortex of rise,
vanilla sugar and toasted tonka.
All within the deepest immortal
white moss soul.
