

QUALITY READING IS A CHOICE

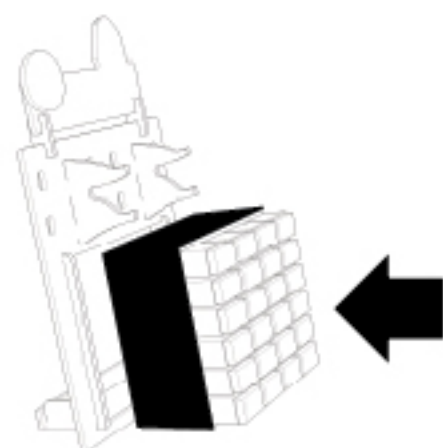

THE CONCEPT DISPLAYS

Aptica is unlike any other brand of ready reading glasses that you know. As we say at Aptica: "We do not just sell reading glasses, we sell a concept". The three ECO displays were designed and developed with care, just like our readers, to provide you with the best tools to show and sell our products to your customers.

All displays are compatible with our unique Box to create the ultimate buyer's experience. Start today, plug-and-sell and help your customers making the right choice.

THE BOX

The concept of comfortable yet distinguished reading eyewear was reinvented by Aptica, bringing ready reading glasses into a Box.

Striving to provide the ultimate reading comfort, Aptica created a new concept where ready reading glasses, made to support a better and protected vision, are brought to you into personalised boxes for every single model. Our recipe is a combination of over 20 years of experience in the optical industry together with the necessary knowledge of ultimate eye-wellness.

Available in many classic as well as fashion motives, Aptica readers are made of the finest materials, displayed into its unique Box.

Think about what is best for your eyes and enjoy the difference today, as quality reading is a choice.
